Disclosure of Financial Interest

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Maverick County Diabetes Access and Wellness Network (DAWN) Project in fiscal year 2022. The entity to receive funding for this project is the Maverick County Hospital District, located at 3406 Bob Rogers Dr. Suite 230, Eagle Pass, Texas 78852. Maverick County ranks in the top third of counties for diabetes prevalence in Texas. Funding for DAWN will be used to increase access to Diabetes Self-Management Education services through telehealth service expansion and through the launch of a digital Community Health Information Exchange (CHIE). Using CHIE technology, a Patient Coordinator, three Site Coordinators and other regional health care and social service sites will be able to navigate patients to health care services, and other services that address the social detriments of health care such as transportation and nutrition services. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Tony Gonzales
Member of Congress
