Disclosure of Financial Interest

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Sul Ross University Archaeology, Anthropology and Cultural Research Center in fiscal year 2022. The entity to receive funding for this project is Sul Ross State University, located at 90 Hwy 90, Alpine, Texas 79830. The funding would be used to continue to expand efforts to research and preserve areas of historical significance in the Chihuahuan Desert which are known to have played a major role in the development of Native American and other societies throughout Texas and the entire southwest, including prehistoric sites which have enabled advances in the core understanding of human development. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Tony Gonzales
Member of Congress
